

MEAL ASSISTANCE PROGRAMME

PREAMBLE

- The allocated funds are limited and therefore can only assist a limited number of students. The assistance will be granted based on the established criteria and depending on availability.

CRITERIA

In order to qualify for meal assistance, a student must be:

- Registered with the University of Johannesburg.
- Not receiving any meal assistance from any other organization and/or division of the University.
- Must have a financial need that can be proven beyond reasonable doubt to the satisfaction of the selection committee. A burden to prove the need lies solely on a student.
- The financial need as expressed by a student must have a demonstrable effect on the academic life of a student.
- All assistance will be granted on a semester basis.
- The period for assistance will be determined by the selection committee and is dependent on the availability of funds.
- Once the meal assistance is granted, a student must pass at least 60% of his/her registered modules to be considered for the next allocation or assistance.
